# NJ Run for the Fallen

# Editorial

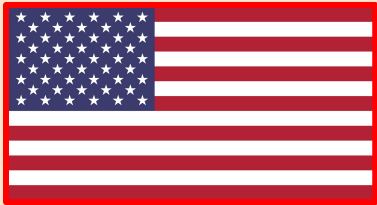

On Thursday, September 21st, the Glenwood Avenue and Early Childhood Annex School participated in the NJ Run for the Fallen. NJ Run for the Fallen is a group of soldiers who run a mile for each NJ service member who died during the global war on terror.

Our school has been a stop for the run for the past 7 years. The soldiers who have been remembered at our stop are Harry R. Swain IV., PVT Robert C. White III, and 1st Lt. Michael J. Cleary. The soldiers' families attended the stop at our school as well.

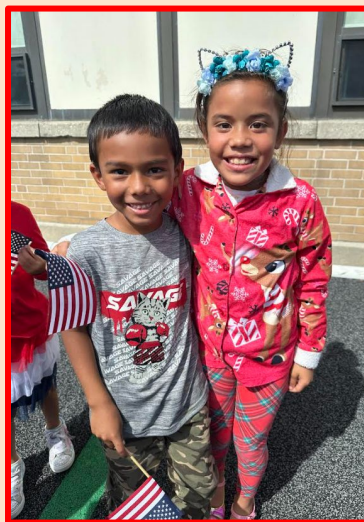

Students at our school made posters, carried American flags, and sang patriotic songs. Former and current soldiers, including our own Mr. Serra, along with our school's cross country teams led by Mr. Hardin and Principal LaFerriere all took place in the run.

Representatives from the local American Legion, Wildwood fireman, and Wildwood police department all participated in the event. The fire department put up a large American flag for the event..

**“It is our responsibility to Honor and Remember all those who have paid for our Freedom with the Ultimate Sacrifice.”**

# Week of Respect

## Editorial

Glenwood Avenue Elementary and the Early Childhood Annex Schools celebrated the Week of Respect from October 2nd-6th. In New Jersey, the week of respect began in October 2011. It was started as part of our state's anti-bullying laws.

Our schools participated in themed days all week. We ended the week with our Kick-off Event at Maxwell Field.

The dates of the Week of Respect were actually picked by the State of New Jersey and we always celebrate it during the first week of October.

**Thank you Glenwood Avenue  
Safety Team for a great week!**

It's all about  
RESPECT!

## Glenwood Avenue Elementary School's Halloween Parade

The Glenwood Avenue and Early Childhood Annex Schools held their annual Halloween parades on October 31st. Our schools have Halloween parades every year because it is a fun tradition for the parents to come and for the students to dress up.
