Dear Parent/Guardian,

I have made the difficult decision to alter our fully virtual program to start the school year. Our fully virtual students will receive two hours of ELA and Math five days per week. The schedule for our fully virtual learners will be as follows:

Kindergarten	8:30AM-10:30AM
Grade 1	8:30AM-10:30AM
Grade 2	12:00PM-2:00PM
Grade 3	12:00PM-2:00PM
Grade 4	3:30PM-5:30PM
Grade 5	12:30PM-2:30PM

Your child's virtual teacher will reach out to you specifically with more information. Please understand that your communication will take place exclusively with your child's virtual instructor.

I thank you all for your continued support and flexibility as we navigate through these new challenges. GOOOOOOOOOO LITTLE WARRIORS!

Yours in Education,

Travis LaFerriere
