**Re:** Comprehensive Contingency Staff Plan – COVID-19

---

We hope this correspondence finds you and your family healthy and doing well.

As our first week of remote learning has come to an end we want to extend our sincerest thanks and appreciation to all our families for your cooperation and support as we head through these times of uncertainty together.

We would also like to thank all the teachers who have gone above and beyond to make all this work in such a short period of planning time. Our community is fortunate to have such a caring and dedicated staff who always goes the extra mile for our students and families.

As we head into the second week of our remote learning plan, we want to remind everyone that our teachers are available via e-mail to provide assistance and to answer any questions you may have. Additionally, we ask you to reach out to our Guidance Counselors should you need any assistance with social emotional resources.

Should you have an emergency and need building access, you will need approval from one of the two building principals. Building principal contact information is provided: Travis LaFerriere: [tlaferriere@wvschools.org](mailto:tlaferriere@wvschools.org) and Philip Schaffer: [pschaffer@wvschools.org](mailto:pschaffer@wvschools.org). A reminder that Wildwood Public Schools will offer food for students on a daily basis from 9:00AM-10:30AM. The location for food service will be in the High School building courtyard. Both breakfast and lunch will be provided during this time.

As future information becomes available regarding COVID-19, we will be as transparent as we possibly can to ensure up to date information as well as a smooth transition back into the traditional learning environment.

We wish all our families a great rest of the week, good health and a stress free week ahead.

Please do not hesitate to reach out if you need anything at all.

Please be sure to check the Wildwood Public Schools Home Page as well for announcements and information regarding COVID-19.
