Wildwood Public Schools

March 16, 2020

Dear Families,

Yesterday March 15, 2020, at 3:30 pm we received direction from the Cape May County Department of Health that all Cape May County schools would close effective Tuesday, March 17, 2020. Today Governor Murphy has directed school closures via executive order until further notice no later than March 18, 2020. Our district had anticipated this notice the previous week and our qualified, committed and dedicated teachers and staff were diligent in preparing lessons for our students to be completed in the event of a long-term closure due to COVID-19. At this time, we do not have a return date, but will communicate that information as soon as we have it.

Assignments have been sent home with students and are available online. Teachers will be available via their email during the school day. If you need to contact the school, please call 609-522-7922 and leave a detailed message, or email your child's teachers. As a safety precaution, all staff are working virtually and will respond to you as soon as possible.

Student meals will be available to go from 9am to 10:30 am each morning in the Wildwood High School courtyard. If you are picking up on behalf of your child, please have the full name and birthday available for any students you are picking up for.

Please check www.wwschools.org for the most up to date information.

Thank you for your support and patience as we navigate this situation while keeping the health and safety of our students and faculty as our primary focus.

Sincerely,

A handwritten signature in black ink, appearing to read "JK", written over a light grey background.

J. Kenyon Kummings
Superintendent
